

Drainage Board Meeting
December 20th, 2011 2:35 p.m.

Meeting called to order by President Al Logsdon. Parties present are as follows: Gogel, Logsdon, Toler, Surveyor Herron, Secretary Jones, Kirby Youngblood, Board Attorney Robinson, and Auditor Lynam.

Tower Drain

President Logsdon asked Surveyor Herron for a report on the Tower Drain Project. Herron stated that Youngblood and he had a meeting last Wednesday concerning the slide on Tower Drain with an engineer and a lady with NRCS (Natural Resources Conservation Service). Youngblood stated that Herron and he met down by the library, last Wednesday with NRCS. Youngblood described drainage problems. NRCS engineer agreed with Youngblood that there is a problem and will have drawings and prints of some kind, of the work that needs to be done for this project ready for the next drainage meeting. Engineer was very familiar with this type of drainage problem. Engineer is looking at cutting down the wall by 2x2 or 2x4 then filling with #5 rock which will let water filter through to hold the wall in place. Engineer was interested in coming to a drainage board meeting. Logsdon thanked Herron and Youngblood for all of their work.

Adjourned

Toler made a motion to adjourn. Gogel seconded. All were in favor.

Drainage Board meeting adjourned at 2:40 p.m. est
